

ASSOCIATION OF THE UNITED STATES ARMY
Rock Island Arsenal Chapter 5102
Voice for the Army - Support for the Soldier - This we'll defend

Dear Business Owner,

The local chapter of the Association of the United States Army (AUSA) is starting a discount program which will demonstrate commitment to the support of this great association and our desire to provide direct and meaningful support to our Rock Island Arsenal Soldiers, Sailors, Airmen, and Marines and their families as well as the local National Guard, Reserve, and their families, as well as DoD Civilians

The discount card will be printed in December 2008-January 2009. It will be in effect from 1 March 2009 to February 28, 2010. We are asking you to participate by providing a discounted service, product or transaction. We are asking that you will honor this discount to all Soldiers and Veterans and local AUSA members who support the soldier – approximately 25,000 families. This program is very similar to the coupon books which are sold, single use, and you have to pay to participate. Unlike coupon books, these are multiple use and **there is no cost to you to place the discount on our website, and it is given to Soldiers absolutely FREE!** There will be no additional requirements on your behalf to verify the eligibility of the card bearer. We will do that during the registration and issue process. Please keep in mind that the eligible party may allow use by dependants.

We highly encourage your business to be represented in this program. Feel free to fill out the attached agreement and return it to me using the Chapter's address, or e-mail me at chapter5102@ausaria.org As a sponsor, your business will proudly be able to display a window sticker that proclaims, "Military Discount Sponsor" to insure our service men and women know that you're a member of a critical organization in support of our Army!

We also encourage you to join our organization, which works hard locally and nationally to support the Army and its Soldiers. We have also included a membership application for that purpose.

I just want you to know that all of us, particularly our Soldiers and their Families, thank you for your marvelous support, day in and day out, of this great organization that means so much to our Army.

Sincerely,
